Mantra Glass Art

Jessica Schimpf (b. 1987) graduated from The Maryland Institute College of Art with honors in 2010 with an Interdisciplinary Sculpture Degree, allowing her the freedom to create in many different mediums from glass art to metal sculpture.

Mantra Glass Art was created in 2010 with the mission of creating an authentic company that revolved around the “mantra” of giving back to others. Jessica is currently sponsored by Ford Motors (The Ford Foundation) and The Warriors in Pink in Colorado. She also donates 15% of all glass inventory OR 15% of all sales (whichever is larger) every year to local organizations in need of art donations for fundraising opportunities.

Jessica’s mission is to continue producing artwork for Mantra Glass Art while taking on other projects that help impact the art community.
